

Airport Marine has teamed up with fishin4acure and the Alabama B.A.S.S. Federation Nation (ABFN) to help expand our fight against childhood cancer. Airport Marine has generously guaranteed at least \$1500 in bonus money to Alabama B.A.S.S. Federation Nation members who have become a F4AC team member (donated \$100 to fishin4acure). The highest finisher in each of ABFN's four regional tournaments who is a member of the F4AC team will be awarded a \$250 bonus. That bonus will double at the State Championship to \$500! Furthermore, the bonus will double at each event if the winner is the original and current owner, fished from that boat and it was purchased from Airport Marine within two years of the date of the event.

### **Key Elements of the Bonus Program:**

- Members must donate \$100 to Fishin 4 A Cure. Each \$100 contribution will go directly to help fund the fight against childhood cancer and is tax deductible and makes each donor a F4AC team member.
- The highest placed F4AC team member will be guaranteed a bonus check from Airport Marine of \$250 for each of the 4 qualifying ABFN events and \$500 for the State Championship.
- The bonus checks will double to \$500 for the qualifying ABFN events and to \$1000 at the State Championship, if the highest placed F4AC team member owns a qualified (\*) boat purchased from Airport Marine.
- (\*) A qualified boat is any boat purchased from Airport Marine within 2 years of the date of the event. F4AC team members must be the original purchaser and current owner. Airport Marine must confirm eligibility for the bonus to double.
- **Airport Marine F4AC Big Fish Bonus - \$10 donations make each donor eligible to win a \$250 bonus from Airport Marine if the donor wins the overall Big Fish for the tournament. If the overall Big Fish winner did not contribute \$10, the \$250 bonus will roll over to the next tournament. NOTE: To be eligible, donors must make the \$10 donation at each event. You do not have to be a F4AC Team member to participate in the Big Fish program.**
