## "HELPING TO CURE CHILDHOOD CANCER"

### **2009 Fishin 4 A Cure Alabama B.A.S.S. Federation Nation Mark's Outdoor Sports Club Fundraising Competition**

Mark's Outdoor Sports has teamed up with the Alabama B.A.S.S. Federation Nation and Fishin 4 a Cure to promote a fundraising competition to raise money to help find a cure for childhood cancer. The competition will begin March 1, 2009 and end at the Alabama B.A.S.S. Federation Nation Championship on October 24, 2009. The competition will be promoted monthly with news releases on the Federation Nation and Fishin 4 a Cure websites, as well as at each of the Federation Nation tournaments. The top 3 clubs that raise the most money during the competition will be awarded gift certificates totaling \$5000. The competition's goal is to raise \$25,000 for pediatric cancer research. Competition rules are below.

- 1) Only Alabama B.A.S.S. Federation Nation Clubs in good standing are eligible for the competition.
- 2) Each club must designate a Competition Director who will be responsible for overseeing the contributions for each club. The Competition Director will be responsible for receiving all contributions and submitting them in a timely manner to Fishin 4 a Cure. The Competition Director for each club will have direct contact to Fishin 4 a Cure Board members for support during the competition.
- 3) The top three clubs will be awarded gift certificates as follows:
  - First Place will receive twenty five \$100 gift certificates.
  - Second Place will receive fifteen \$100 gift certificates.
  - Third Place will receive ten \$100 gift certificates.
- 4) Winning clubs may distribute their gift certificates at their discretion, however only two certificates may be redeemed at one time by one individual.
- 5) The winning clubs will be featured on the Fishin 4 a Cure and Alabama B.A.S.S. Federation Nation websites.
